Dear Karen:

Congratulations to the East Brunswick Public Library for receiving the 2025 Environmental Achievement Award.

Your WeCycle recycling lecture series, in partnership with the East Brunswick Sustainability Task Force and the Friends of the East Brunswick Environmental Commission is a truly admirable initiative.

This prestigious honor is a testament to your unwavering commitment to sustainability and environmental education. The WeCycle series demonstrates a proactive and impactful approach to promoting environmental stewardship.

Thank you for your invaluable contributions to making East Brunswick a more sustainable and environmentally conscious community.

Very truly yours,

Patrick J. Diegnan, Jr.
